FIG. 19

A dialog box titled "Settings" with a close button (X) in the top right corner. It contains a tab labeled "Settings". Inside the tab, there is a section titled "Connection". This section includes two spinners: "Redial attempts:" set to "2" (labeled 2010) and "Redial if not connected in:" set to "90" seconds (labeled 2015). Below these is a dropdown menu for "Modem" showing "U.S. Robotics 56K FAX EXT" (labeled 2020). There are two checked checkboxes: "Automatically update phonebook" (labeled 2025) and "SmartRedial" (labeled 2030). Below these is a section titled "Program to run after connection" with a checked checkbox for "Default Web browser" (labeled 2055). Under this section is a table with two columns: "Description" and "Location". Below the table are three buttons: "Add" (labeled 2035), "Modify" (labeled 2040), and "Delete" (labeled 2050). At the bottom of the dialog box are three buttons: "OK", "Cancel", and "Help" (labeled 2045).
